16. CERTIFICATION:	We warrant that the information provided in this questionnaire is true and correct to the best of our knowledge, and we do not know any additional facts that are inconsistent with this certification. We acknowledge that HITEC RCD KOREA, INC. and its affiliates are relying on the information provided herein to comply with applicable laws. We also warrant that we will not re-sell, or re-export HITEC RCD KOREA, INC. and its affiliates' supplied products contrary to applicable export control laws. We also acknowledge and consent to future government end use checks or inspections that may arise from accepting goods subject to export control regulations, including the U.S. EAR and/or the ITAR, as well as corresponding regulations from the Republic of Korea, the European Union, Japan, Philippines and China. The answers to this questionnaire shall be valid for all future orders placed by our company for 12 months from the date below. We agree to provide prompt written notice to HITEC RCD KOREA, INC. and its affiliates if any of the information or declarations provided herein change or become untrue or inaccurate. We also agree that if any parts specified on any of our company's future orders will be used for (i) any of the Controlled End Uses in Block 13, or (ii) any end-users other than the end-user specified on this questionnaire in Block 7, we will promptly provide HITEC RCD KOREA, INC. and its affiliates with a new questionnaire including, but not limited to, required documents and information at the time of placing such order/s. The signatory below affirms and warrants that he/she has the authority to sign on behalf of the purchasing entity.
